## OWNERS AND RESIDENTS OF CENTURY PARC No.2- Dog Owners

**It is against the by-laws of our community, for a dog to roam freely, without its proper leash and dog feces, not be picked up by their owners. Dog feces, not only damages the landscaping, but has harmful bacteria, which is harmful to humans and pets. We ask for your cooperation, in picking after your dogs. Fines will be imposed on the unit owner, if failure to comply. If you witness any of these violations, please report it to our office.**

**Thank you for your cooperation.**
